

OBITUARY

Peter Edmond Jess

February 2, 1953 – Montreal, Quebec

January 24, 2018 – Calgary, Alberta

Known to friends and family as Pete, he lost a short battle to liver disease at the Foothills Medical Centre in Calgary at the age of 64. Pete was surrounded by his family as he began his next great adventure peacefully, without pain and with much love.

Pete was a beacon of hope, support and optimism to all who knew him. He was energized by and loved people, always having time to lend an ear and encourage those in his personal and business life. Pete dared to dream big and had the courage to pursue his dreams even when faced with great adversity. It was his sense of hope, his moral convictions and his love of others that made him tick. He had an unbridled curiosity, enthusiasm and passion for life that was infectious. Always ten years ahead of his time, Pete will be remembered as a visionary. He departed us much too soon. He is survived by Judy Jess (nee Szombathy), his wife of 41 years, and his two sons, Matthew and Tedman.

A celebration of Pete's life and adventures will be held at THE HANGAR FLIGHT MUSEUM, 4629 McCall Way NE Calgary, on Saturday, March 10, 2018 at 7pm. Please [RSVP](#).
